FOR INDIVIDUALS PROVIDING SUPPORT

What is an Orientation Session?

This is your chance to:

- Test your system
- Try out the controls
- Ask questions

Participants and their support person should attend together.

Before the Program

Try using a headset for better audio

Make sure you have a strong internet connection

Close out of any background programs

During the Program

Check-in with your participant

Provide prompts to your participant

Leave the mute button to us

ETIQUETTE

Be on time

Sit in front of the camera

Keep your device stationary

Do not eat on camera

Avoid multitasking

Take turns speaking

Use your manners
